DATA ENABLES DIGITAL LIFE

According to The Economist,
data is more valuable than oil;

It is the lifeblood of the modern age,
the digital economy.

Its importance means that every
organization on the planet needs to protect,
manage and mine its data to remain
relevant....

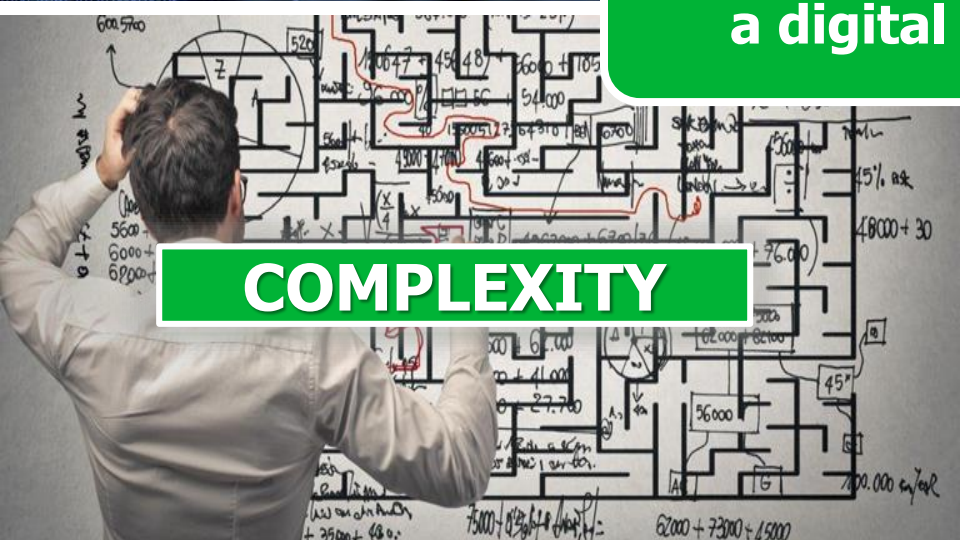

CYBER THREATS

COMPLIANCE

**Challenges of becoming
a digital business**

COMPLEXITY

RESISTANCE

DATA IS:

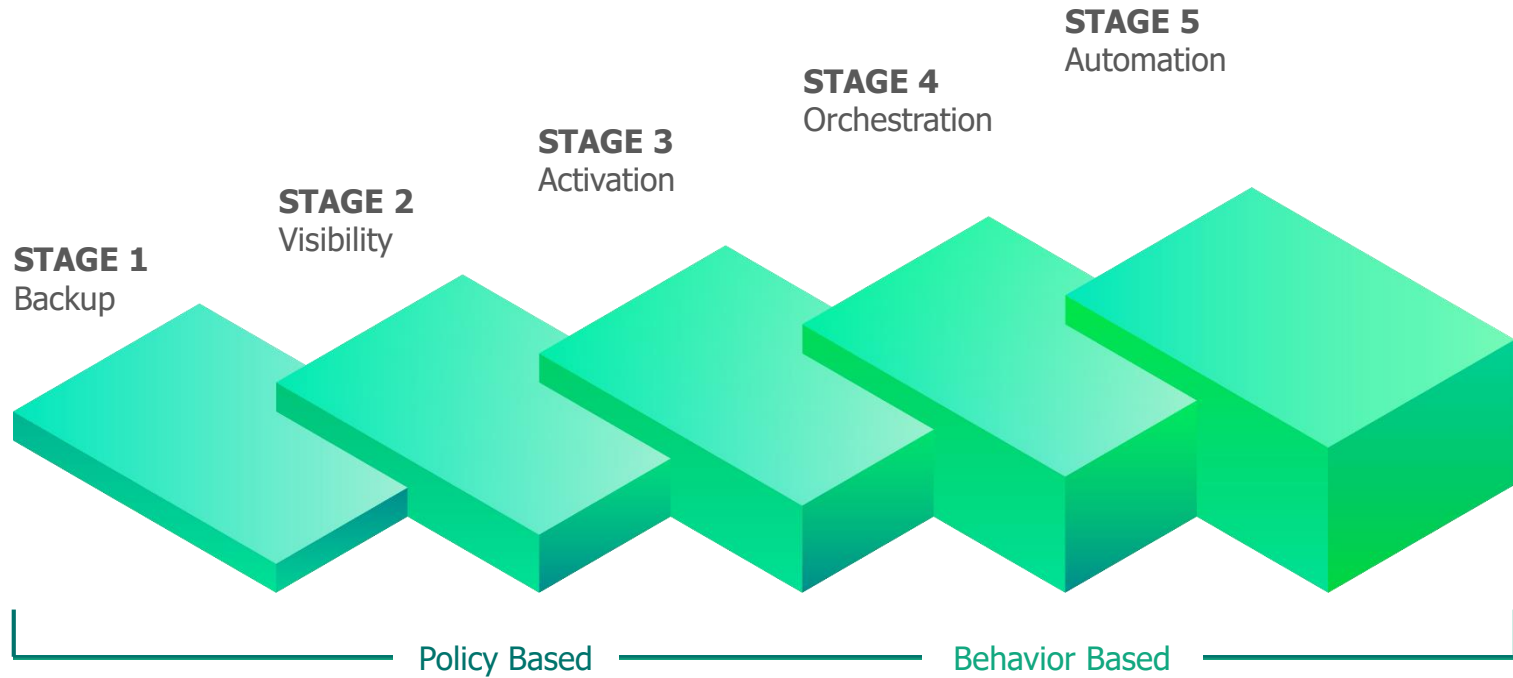

- **CRITICAL**
- **GROWING**
- **SPRAWLING**

VEEAM VISION

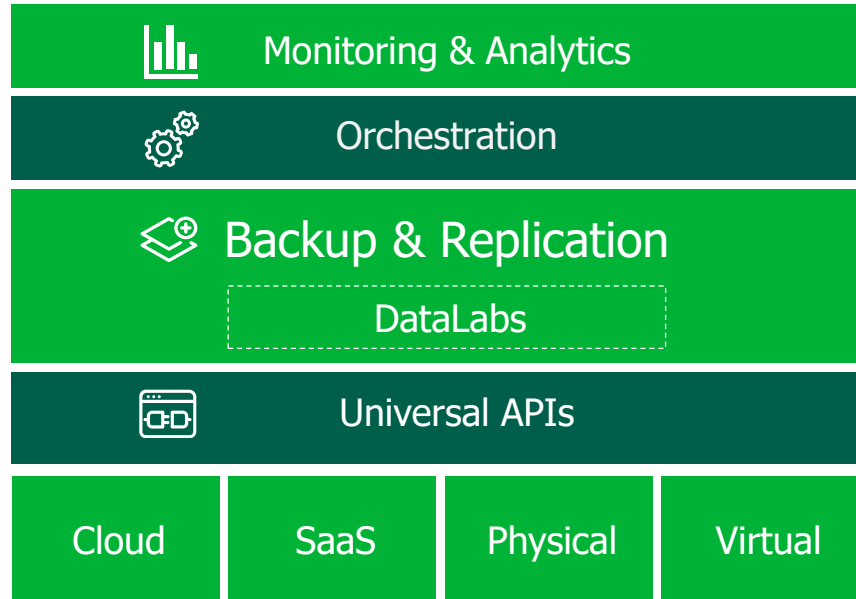

The most trusted provider
of Backup solutions that
enable Cloud Data Management

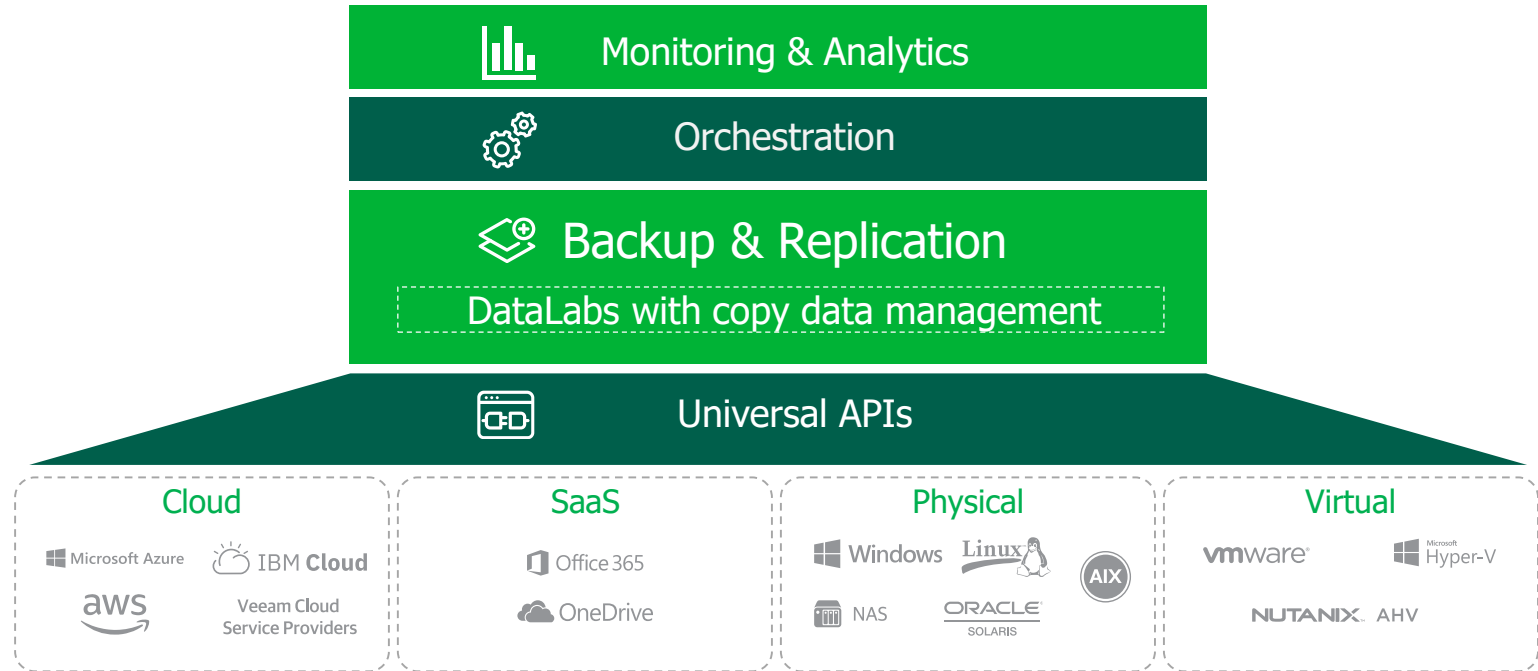

5 Stages of Cloud Data Management

Veeam Availability Platform

Veeam Availability Platform

Why Veeam?

Simple

- Intuitive
- Granular recovery
- Built-in analytics
- Scalable architecture

Reliable

- Portable data format
- Verified recovery
- Strong support
- "It Just Works"

Flexible

- Software defined
- Hardware agnostic
- Copy data management
- Cloud ready

Thank you
